

Hedgehogs (Small & Large)

Adapted from *Blue's Hedgehog*

This cuddly hedgehog is **knit flat** in garter stitch, starting with a simple triangle for the nose/head, then extending into a rectangle for the body. Depending on the size of the hedgehog, the head is knit with a single- (small) or double- (large) strand of worsted yarn, and the body is knit with a single strand of thick eyelash yarn (small) or a combined strand of worsted and eyelash yarn (large).

When knitting is finished, the piece is seamed and stuffed. Embroidery of eyes and nose on the small size is easiest if done after seaming and stuffing.

NOTE: Please be sure to read through pattern and pattern notes before beginning.

Abbreviations: **Dpn(s)**: double-pointed needle(s) **K**: knit; **K2tog**: knit 2 sts together (*1 st decreased*); **Kfb**: knit into front and back of st (*1 st increased*); **St(s)**: stitch(es)

PATTERN NOTES

- Feel free to use whatever colors you like; “realistic” hedgehog colors are not required. Children delight in creatures of wild and wacky colors.
- Be sure the fabric is tight enough to prevent the stuffing from showing but not stiff. It’s ok to have knots on the inside of critters; just tie the knots tightly and leave about 2” tails inside the critter.
- Remember to stuff before closing up the opening; stuff firmly, but not too hard. Aim for “cuddly” – not too soft or too hard.
- Do not use beads or buttons for eyes or any other embellishment! These toys may be going to very young children and beads or buttons are choking hazards.
- Facial features: Eyes can be embroidered using simple stitches or created with sewn-on felt pieces. French knots are often used for knitted critters' eyes. Directions and demonstrations can be found online. “Spoke” eyes are another embroidered option: Make 5 running stitches coming out from the center of the eye to the outer edge (like spokes of a wheel), then weave the yarn from the outer edge in a circular direction going under and over the spokes to make a solid eye. *Please, no beads or buttons for eyes!*

Drop one strand of worsted and join eyelash. Continue with one strand of worsted and one strand of eyelash held together.

Continue with Decrease Rows.

Decrease Rows (both sizes):

Decrease Row 1: *K1, k2tog; repeat from * to end of row.

Decrease Row 2: K2tog to end of row.

Break yarn, leaving a long tail for sewing up. Pull end through sts on needle, pull tight and tie off securely.

Finishing (both sizes)

Seam the head section and stuff firmly (but not rock hard). Seam body section, stuffing as you go. Aim for “cuddly” – not too soft or too hard.

Small size: Using the nose yarn, make a nose by sewing over the tip of the nose section until no head yarn can be seen.

Both sizes: Add felt or embroidered eyes (See Pattern Notes).
